A motivating roadmap for taking ownership of your professional direction.

What Nanci Speaks About Most

Human Connection – the ultimate communication tool for leaders and teams navigating today's workplace.

It's the foundation for trust, collaboration, and performance.

Why Audiences Choose Nanci

"Nanci's practical approach, thoughtful challenges, and real world perspective elevated the learning experience. I look forward to applying these fundamentals even more intentionally in my work with leaders and teams."

"Nanci brought an interactive and upbeat seminar that kept our attendees engaged and entertained. Her questions and interactions encouraged vulnerability and sparked great conversation – even in a virtual setting."

Why Meeting Professionals Choose Nanci

- Human-centered approach that connects with audiences across roles and industries
- Extensive expertise in leadership development, team dynamics, and workplace culture
- Interactive, customizable programs that blend humor, storytelling, and actionable tools into an experience audiences can use immediately to improve communication and performance.

Keynotes and workshops that strengthen human connection and turn blind spots into breakthroughs.

About Nanci

Nanci Appleman-Vassil, CSP, is a dynamic international speaker, facilitator, and coach with more than 25 years of experience helping individuals strengthen human connection in the workplace. As Founder and CEO of APLS Group, she has equipped thousands of individuals, teams, and leaders to communicate with clarity, navigate conflict with confidence, and build cultures where people feel seen, heard, and valued. Her background is grounded in training, organization development, and corporate consulting across industries including technology, healthcare, engineering, manufacturing, education, and retail.

Known for her warm, relatable style and real world stories, Nanci delivers experience-driven programs that blend humor, heart, audience interaction, and practical exercises audiences can apply immediately. She partners closely with event planners and organizational leaders to tailor every program to their goals, culture, and audience needs.
